HEAD LICE

Unfortunately we have at least one case of head lice at school at the moment. Please check your child's head regularly and if you spot any nits or lice, ask your chemist for a shampoo or lotion which should get rid of them. It is important that we are all vigilant in checking and spotting these pests. Thank you.

CONTACT DETAILS

Please remember if you change your telephone number you must inform us at school. If there was an emergency and we needed to get in touch with you quickly, we would not be able to do so without the correct contact details. Thank you.

MEDICINES HELD IN SCHOOL

If your child has medicines or asthma inhalers which are kept at school, please make sure you replace them before they run out of date. It is very important that all medicines held here at school are current.

CLASS PHOTOS

Next Tuesday, 1st May, the photographer is coming to take class photos at school. Please make sure your child looks extra smart on that day, in clean uniform and with tidy hair. Thank you.
