## Newsletter 11

Friday 25<sup>th</sup> November 2016

Dear Parents,

I am delighted to be able to inform you that from the Spring term we will be providing hot school meals for the children. As many of you know this has been an ongoing project for the school and we have now found a provider that comes highly recommended by local schools. The Government's Universal Infant Free School Meals program entitles all Infant School children to a free school meal. Up until now we have tried hard to provide the children with a suitable cold option in the absence of facilities and a contract for a hot option. I feel very strongly that our children should be able to eat a hot lunch which will provide them with a healthy, filling and balanced lunchtime meal.

In order to make this exciting opportunity viable for the school we will need to recruit a 'kitchen angel'. This position would be for a couple of hours each day over lunchtime. This would be a fantastic opportunity to join our wonderful staff team and make a real difference for the children. If you would be interested please contact Ms Ranahan in the office as soon as possible and she will give you more information about the role.

I will be writing to you very soon with further information and an opportunity for you to come into school and meet the chef and taste the food.

### Christmas Panto – Wednesday 14<sup>th</sup> December

Thank you for those of you who have already given permission and paid online for the school visit to the Elgiva Theatre in Chesham. If you have recently joined the school or do not have access to the internet, please see Ms Ranahan in the Office.

### Late arrival

If when you arrive at school the classroom doors are closed, could you please report to the School Office.

I hope you all enjoy a nice weekend, thank you for your support,

Mrs Bancroft  
Headteacher

This week's Well Done  
Certificates

Darcey (Class R) - For being a 'Go for it Gorilla' in all areas of learning.

Harry (Class R) - For always working hard and trying his best.

Annabelle (Class 1) - For trying very hard in English lessons, using adverbs of time.

Imogen (Class 1) - For working hard on her independent activities during Maths lessons.

Amy (Class 2) - For being a happy and groovy disco star!

Poppy (Class 2) - For great problem solving using division.

Next Week's Learning

**Year R**

**Maths** - Can you fill in the missing numbers in the number line?

**Literacy** - Why did Humpty fall off the wall?

**Requests** - Please could we have a stamped addressed envelope for the following week?

**Year 1**

**Maths** - We will be continuing our learning with adding and subtracting.

**Literacy** - We will be writing about a trip to Jordans Village using adverbs of time.

**Other** - If you have not brought in a small envelope with a second class stamp on, the last opportunity to do so is Monday morning drop off.

**Year 2**

**English:** We will be looking at a variety of texts which include letters. We might even start reading some (shhh, whisper it because it's not December yet) Christmas books.

**Maths:** Revisiting addition and subtraction next week, investigating and solving lots of real life problems, particularly including money. It would be great if you could practise this at home; give your child a word problem and help them to find out what the required calculation is. Then see if you can work together to solve the problem.

**Requests:** Thank you to everybody who has clearly spent lots of time learning lines for the Christmas Show. We are getting there! PLEASE do keep this up as it will make the performance far more enjoyable for both the cast and audience.
