Newsletter 15

Friday 6th January 2017

Dear Parents,

Welcome back to school! We wish you all a very happy new year and hope that you enjoyed a lovely Christmas holiday. Thank you for all of your very generous gifts and kind words from the end of term. All the staff are very appreciative, thank you.

Our first assemblies of the year welcomed the children back to school, the children have been telling us all about the fun things they have been doing! They also confirm that they completed the home work I set before the holiday and that they are ready for learning in 2017! We talked about being 'smart for learning' again, and the children showed us in lessons how ready for learning they are! When we talk about smart for learning it is in attitude as well as looking smart, our uniform guidance is on the website if you require further information.

Uh oh...Parking!

We don't like starting the new year with a moan, however we have had many complaints over the last weeks of term about the parking along Puers Lane from the residents and the Jordans Village office. Please can you refrain from parking beyond the 'no parking' sign located on the corner of Puers Lane and Puers Field. Ideally we ask you to park around the village green and walk to and from school.

Breakfast Club

A polite reminder that if you require the use of Breakfast Club spaces need to be booked with Mrs Martin directly jo.io@talk21.com and the relevant paperwork completed for each term. Details can also be found on our website. On Thursday this week we had children arrive for Breakfast Club that we weren't expecting as the paperwork had not been completed and children not arrive that we were expecting. This does present a problem for catering and has procedural implications.

Spring term 2017

We have an exciting term planned, the topic webs will be coming home next week detailing the learning for this half term. The dates list for this term will also be coming home next week once we have finalised the last few items.

The new school meals are already proving popular, thank you for your support with introducing the new system. The children have been shown the menu and are very excited. It is also attached to this newsletter for your information at home.

Kind regards, Mrs Bancroft
