Dear Parents,

This week in school we introduced our BRAIN BOX display.... As you know we are a Growth Mindset school and we all grow our brains every day. This week the children helped me to grow my brain in our game show 'Challenge Mrs Bancroft'. We are now looking for examples of how our children have grown their brains at home and in school. This may be photos/pictures/stories of how a new skill has been practised, a new sport tried, some incredible persevering parrot behaviours, challenging thinking or using the phrase "I can't yet" "Try, try and try again". We will be displaying them in our hall for all to be proud of. Please send any pictures and photos into school, your child must be able to talk about what it is showing.

Upcoming Trips for Year 1 and 2

If you have not already done so, can you please give permission via ParentMail for your child to attend the upcoming trips to Chalfont Community College. Without your permission, your child will be unable to attend the event.

Please note the pick-up time for Year 1 and 2 on Tuesday 23rd January is 3pm at Chalfonts Community College. Please park in the leisure centre car park and walk round to the main entrance of CCC, the children and teachers will come out to meet you.

JSA

The JSA have written an informative newsletter that is attached to this newsletter email. We are very grateful to Mrs Mayhew for leading a fantastic exercise class in aid of the JSA this week. Thank you to all of those who came and supported it.

Thank you for your support, we hope you have a nice weekend.
