## Newsletter 17

Friday 20<sup>th</sup> January 2017

Dear Parents,

We have had another great week in school packed with learning! The children are all really enjoying their class topics. Reception Class made amazing dinosaur fossils today, Year 1's information writing about castles has made us very proud and Year 2 are being excellent tour guides of London, also producing some amazing factual writing.

### Hot School Lunch Information Session – Monday 23<sup>rd</sup> January 2.30pm

Chef Paul is looking forward to meeting with you all on Monday to discuss the new hot lunch menus, and then offer you and your child the chance to taste the menu. Once the talk is finished you will need to collect your child in the normal way and then bring them into the hall. A polite reminder that whilst the children are with you for food tasting the children remain your responsibility.

### Gate

Thank you for your patience with the problems we have experienced this week with the pedestrian gate. Hopefully the issues are now resolved.

Thank you for your continued support, I hope you have a lovely sunny weekend.

Mrs Bancroft  
Headteacher

This week's Well Done  
Certificates

Josiah (Class R) -For explaining his mathematical thinking fantastically.

Imogen (Class R) - For fantastic independent writing.

Lewis (Class 1) - For working hard in History this week and creating their own part of the Bayeux Tapestry.

Ben Ga (Class 1) - For working hard in History this week and creating their own part of the Bayeux Tapestry.

Millie (Class 2) - For fabulous calculating using an abacus!

Alessio (Class 2) - For embracing a challenge and learning how to record and explain his calculations.

Next Week's Learning

### Year R

**Maths** - we will be performing dinosaur poetry and writing labels for mysterious discovery!

**Literacy** - counting bones and thinking of how many different ways we can order dinosaurs.

**Requests** - Thank you for all your help our topics at home. The children are so engaged with dinosaurs and looking forward to space! Thank you for all your wish tree contributions are much appreciated!!

### Year 1

**Maths** - Partitioning is the theme for the week! We will be learning how numbers can be split into tens and ones ready for calculating.

**Literacy** - We will be learning to follow instructions, ready for creating lists of 'bossy verbs' for our writing next week!

### Year 2

**Maths** - We are going to be carrying out more problem solving activities and starting some work on position and movement. Why don't you try guiding each other around your house, using directions such as left, right and straight ahead, to get started.

**Literacy** - We will be looking at some fictional stories based in London. If you have any at home, Perhaps we could read them at school too?
