## Newsletter 25

Friday 23rd March 2018

Dear Parents,

This is our final newsletter of the term. It has truly flown by! We hope you enjoy our Easter Assembly and book look next Wednesday as a way of finishing the term in style! This will take place on Wednesday 28<sup>th</sup> April at 9.10am, we will perform our assembly first and then you are welcome to come into the classrooms for the book look.

### Summer term clubs – all year groups

Our after school club providers are all set to continue running their clubs after the Easter break. Now that our Foxes are settled into school life, some of our clubs are open to Fox Class to attend. Signing up instructions will be sent home in the first week back to school, clubs will then start week beginning 23<sup>rd</sup> April.

Monday : Tennis (Owl/Deer class only)  
Tuesday : Multisports (Fox class only)  
              Cooking (Owl/Deer class only)  
Wednesday: Popstars Dance (all classes)  
Thursday: Multisports (Owl/Deer class only)  
              French (all classes)

### Near Misses

We have heard of a number of near misses on Puers Lane and the surrounding village roads. Please remember that the roads to the school are without pavements and so children and parents will need to be extra vigilant when walking. A child was almost hit by a reversing car last week, this is very concerning. Please can I ask you to all take great care.

### Tesco Bags of Help

**Don't forget that Jordans School has been shortlisted for the Gerrards Cross Tesco Bags of Help scheme and voting is open throughout March and April. Customers will cast their vote using a token given to them at the check-out in store each time they shop. Customers need to ask for the tokens. Even if you shop at a different Tesco's store, ask for a token and bring them into the school office and we will get them to the Gerrards Cross store for you!**

### School Lunches

Attached to the newsletter this week is the new menu for the Spring term. They have taken on board feedback from the parent survey so there are lots of exciting changes and a 6 week cycle, so more variety. All allergen sheets will be uploaded to the website.

## Year 2 Sing report from the Chiltern Music Academy

Further to our newsletter this week we have received information from the Chiltern Music Academy:

*On Friday, 16<sup>th</sup> March Year 2 took part in a “Sing, Perform, Inspire” workshop led by Chiltern Music Academy. The aim of these workshops is to inspire children to reach a high standard of performance in less than 3 hours, and to raise their confidence and self esteem as they perform a short video recorded concert to Headteachers and Governors.*

*220 children from six different schools came together for the morning and responded brilliantly to the leadership and teaching of Mrs Venvell and Mrs Marsh. The children (and staff!) learnt three songs and were able to perform them with style, focus, passion and musicality. The audience of Headteachers and Governors were extremely impressed, and all the children should be congratulated on their fine performance. We look forward to hearing and seeing our Year 2 children perform to this standard in future school assemblies and events!*

*All the children were given three leaflets to bring home so that you, their parents, can see what CMA offers every week. You are invited to register your child for the Space Explorers event on Saturday, 21<sup>st</sup> April – a musical space themed party complete with craft activities, photo booth, an interactive musical adventure led by an orchestra during which the children are invited to help them to rescue the Man in the Moon who has been captured by the Purple people eaters who live on Mars! This will followed by a space themed tea party and a chance to try out instruments. Early booking is recommended.*
