Friday 28th April 2017

Dear Parents,

The grand Castle opening – Friday 5th May 9am

Our play castle is proving to be such a hit with the children; we can't wait to show you at our grand opening. Please do come along for 10 minutes after drop off and see how we have transformed the area behind the school hall.

Please encourage your children to enter the colouring and naming competition that was sent home last week, we have had some great entries so far.

JSA Bluebell Fair

Our JSA team are so busy getting ready for the fair, we would like to open the fair in a wonderful way – the children are ready to sing for you and start the fair! Please meet us on the playground at 12pm for the opening sing!

Homework

Please ensure your child's homework book is returned to school every Wednesday so that your child can share their efforts and have them praised. New homework grids are now in the homework books.

Thank you for your continued support,

Mrs Bancroft
Headteacher

Next Week's Learning

Year R

Obstacle Course Week!

Literacy - Designing, labelling and writing about our obstacle courses.

Maths - Time: days of the week, seasons, using timers to time each other.

Messages - A baby, toddler and current photo of your child for us to keep for sorting and displaying and looking at how we have grown and changed.

Library will be on Tuesday next week, please ensure your child has their library book then.

Year 1

Literacy - We will be carrying on with Traditional Tales focusing on The Three Billy Goats Gruff. We will be using drama to retell the story and creating 'Wanted' posters!

Maths - We will be measuring and recording length, weight and volume.

Messages - This week we have been looking at the value of different coins, adding various amounts and calculating change from 10p and 20p. Please could you continue this at home where possible as all children need further practice.

Year 2

Literacy - we will be planning and writing our own stories based on a picture we will all look at together.

Maths - We are going to do some practical work on measure and shape.

Messages - None
