Friday 5th May 2017

Dear Parents,

Thank you all so much for coming along this morning! We are so proud of our castle and the wonderful new surfacing, the children across the school are gaining so much from playing in our new space. Thank you to Coach Sean from Get Active and his trusty super hero friend for opening the castle!

We are very grateful to the National Lottery and parental contributions from the last couple of years, this enabled us to design and build such a great space. So, the question is now, what next? Our school council is busy thinking of ideas, the staff and governors have many ideas in the pipeline but we always like the children to be involved.

JSA Bluebell Fair

Our JSA team are so busy getting ready for the fair, we would like to open the fair in a wonderful way – the children are ready to sing for you and start the fair! Please meet us on the playground at 12pm for the opening sing if you can.

Just to confirm, as we have been informed of some rumours circulating. If you can't make it here for 12pm it is not a problem – the more the merrier at 12pm though. And there are no costumes to be provided! Children to come in their 'Saturday clothes'!

Half term holiday club

Breakfast Club will be running two days of holiday childcare club in the half term break. This proved very popular at Christmas time, the children play games, do art and crafts activities and many more fun things. The dates will be Wednesday 31st May and Thursday 1st June. More information will be coming home next week, there will be a form attached to book your child's place.

Thank you for your continued support, here's to a lovely Sunny and fun Bluebell Fair weekend.

Mrs Bancroft

Next Week's Learning

Year R

Literacy - Supertato needs are help! How can we trap the pea?

Maths - How do you see different numbers? What is 8 made up of? Making our own estimation stations.

Messages - We have an action packed week designing and testing superhero capes, making our own vegetable heroes and preparing a healthy feast. Your donations from the wish list are very much appreciated so that we can enjoy all of our exciting activities.

Year 1

Literacy - Our final week of Traditional Tales will focus on The Enormous Turnip! We will be sequencing and retelling the story, identifying synonyms and creating our own version.

Maths - We will be using our knowledge of place value to solve problems, recalling number bonds and their inverse to at least 10 and using our knowledge of number bonds to add.

Messages - None

Year 2

Literacy - We will finish our stories based on a mysterious forest picture! We will spend some time editing and perfecting our stories.

Maths - We will be continuing our work on measure and shape.

Messages - None
