Dear Parents,

We are all very busy learning about Growth Mindsets in school, you may hear your children talking about how their brain works and how it helps us learn. We talk about 'growing our brains'. Our open forum on November 9th will give you the opportunity to learn more about the Growth Mindset concept. The teaching of mindsets builds resilience and a desire to learn, to challenge and encourage children.

Thank you to those of you who were able to attend the MacMillan Coffee Morning this morning, thanks go to Ms Ranahan for organising such a worthwhile and welcoming event.

Harvest Festival – 4th October

We look forward to seeing you for our assembly at 9am on Wednesday 4th October. We are collecting tinned food for The Trussell Trust foodbank in Chesham, please send any donations into school with your children on Wednesday morning.

The Autumn colds are arriving

The cold season seems to have arrived early this year! Please can we ask that if your child has a cold you pop a packet of tissues in their book bag. Also, we would be very grateful to receive any donations of boxes of tissues for the classroom. Thank you.

Please note the slots are 10 minutes in length, we politely ask that you keep to your 10 minute slot. If you need to discuss further issues please inform your class teacher.
