

# Year R Snow Work Pack

Dear Children,

We are missing you all and hope that we can all get back into school as soon as possible. While it is snowing here are some challenges for you to try at home.

Have fun!

Love ~ The Reception Team

Challenge 1: Build a snow person, animal or model and take a photo of it to share back at school.

Be ready to tell us all about it.

Challenge 2: Can you describe what the snow looks and feels like. If you would like to try to write these words down remember to use your sounds to help build the words.

Challenge 3: Draw, paint a picture or make a collage about the snow. Can you show some of the things you have been doing?

Challenge 4: Visit nrich <http://nrich.maths.org/5591> or use the sheet below and see if you can solve the clown puzzle.

Challenge 5: Can you build a snowman in this online game?
