Newsletter 23

Friday 24th March 2017

Dear Parents,

We are amazed at how fast this term seems to have flown by! The children have really enjoyed their learning this term and are quite rightly very proud of their efforts. I hope you enjoyed your topic finale session this morning and gained a good insight into what your child has been busy learning. Please do let us know via the office if you feel these sessions are beneficial.

End of term

Next week school closes on **Thursday 30th March at 2pm**. Friday is an INSET day; the staff are attending a training session.

Our Easter assembly is taking place on Thursday morning at 9.15am in the hall. The children will be sharing our Easter celebrations with you, they are working hard preparing for this assembly at the moment.

Trips

All of the children have enjoyed their class trips out to Green Dragon Eco Farm, Oxford Botanic Garden and Shortenhills Environmental Centre. The children all got so much from their visits, and the rain falling didn't stop the enjoyment at all! All of the venues said how pleased they were to welcome Jordans School and how wonderfully well behaved the children were. Thank you for your support with the trips.

Parenting Groups

I have attached some information to this newsletter about very successful parenting groups that are run by the Family Resilience Service. Feedback from parents at Jordans in the past has always been very positive concerning these groups. They are open to all!

JSA Bluebell Fair

Thank you for all of your kind donations of bottles today. The children have really enjoyed their mufti day! And look so grown up.

Heinz Grow Your Own

Your child will be coming home today with a pot, tomato seeds, and an information leaflet from Heinz Grow Your Own Educational Programme.

Best wishes

Mrs Bancroft
Headteacher

This week's Well Done
Certificates

Isabella (Class R) - For writing a super farm recount.

Oliver (Class R) - For being a Go For It Gorilla with your key words.

Siya (Class 1) - For excellent independent writing and problem solving.

Maisie (Class 1) - For listening carefully in English lessons and remembering the features of recounts.

Alexander (Class 2) - For some superb mathematical reasoning and explaining.

Rehaan (Class 2) - For consistently beautiful handwriting and super spelling.

Next Week's Learning

Year R

Literacy: Writing questions for our pet expert.

Maths: Continuing with halving, doubling and sharing.

Special Requests/Messages: Egg boxes and clean and ready meal plastic cartons to make an Easter garden.

Year 1

Literacy: We will be continuing with our poetry work, reciting poems and sharing our favourites.

Maths: We will be solving multiplication problems and recognising and naming different parts of the day.

Special Requests: If your child has a favourite poem, they are welcome to bring a copy in on Wednesday to share with the class.

Year 2

Next week in English and Maths we will be following up our fun activities at Shortenills by making up some special potions.

Messages: We would like to thank you all for the great efforts you made with environmentally friendly lunches. Julie from Shortenills said they were amongst the best she had ever seen! We had a great day and the children were a credit to you all.
