## Newsletter 3

Friday 23rd September 2016

Dear Parents,

The children have had another busy week packed with new learning! To support our learning in school we will now start sending homework home. Our homework is family friendly! It is not supposed to be a giant head ache for you as a family or your child. Each child will have a homework book in their book bags today, there are instructions with each class' task sheet. We hope that you enjoy spending time with your child with them taking the lead on an activity that they would like to do. Homework books are sent home on Fridays and we ask for them to be returned the following Wednesdays. This gives us chance to celebrate the children's efforts in school.

### Harvest assembly – 7<sup>th</sup> October 9.15

We are looking forward to our Harvest celebrations, please do come along and watch the children if you are able to. Further information will follow about our plans to support a local food bank.

### Parking

We please ask that everyone is considerate of our neighbours and to avoid parking across people's driveways. There is ample parking around the Green and we encourage you to park there and walk down the lane. Your support in this is greatly appreciated.

Thank you for your support

Best wishes,  
Mrs Bancroft

This week's Well Done  
Certificates

**William** (Class R) - For having a go at everything.

**Ruben** (Class R) - For being super helpful.

**Grace** (Class 1) - For being super explaining in maths to tell us about odd and even.

**George** (Class 1) - For being really keen to answer questions and have a go at new learning.

**Sophia** (Class 2) - For being so enthused by her reading that she went home and made up her own code!

**Isaac W** (Class 2) - For a fantastic "Funnybones" storyboard using time words, joining words and adjectives!

Next week's learning

**Year R**

**Maths** - we are thinking about one more and less than a number and working on different ways of making 5.

**English** - reading *Stone Soup* and *Oliver's Vegetables* together. Writing our own shopping lists.

**Special requests** - tasting fruit and vegetables, as well as eating our homemade soup. Any old food magazines for us to cut up would be much appreciated.

**Year 1**

**English:** Finding out more about captions by reading and writing captions.

**Maths:** Learning to add and subtract objects and learn how addition and subtraction are linked.

**Requests:** None this week.

**Year 2**

**Maths:** Using our knowledge of number facts for addition.

**English:** Explore different types of poems and start a class acrostic poem.

**Requests:**
