

Safeguarding Statement

At Jordans School, the health, safety and well-being of every child are our paramount concern. We listen to our pupils and take seriously what they tell us. Our aim is that children will enjoy their time as pupils at this school.

We want to work in partnership with you to help your child to achieve their full potential and make a positive contribution.

On rare occasions our concern about a child may mean that we have to consult other agencies even before we contact you. The procedures which we follow have been laid down by the Buckinghamshire Area Child Protection Committee and the school has adopted a Child Protection Policy in line with this for the safety of all. The document 'Keeping Children Safe in Education (DfE, July 2015) underpins all of our systems and policies.

If you want to know more about our procedures or the policy, please speak to the Headteacher or find more details on the Buckinghamshire Safeguarding Children's Board website:
